

ROADS UPDATE 10/4/2018

Please see attached notice from Eagle Paving for additional updates on the roads.

TRASH: Trash pick up will not be interrupted Monday, October 8th; however, the regular pick up for Monday, October 15th has been cancelled and rescheduled for Saturday, October 13th. All three services (trash, recycling and green) will pick up on 10/13/18. Please do not have trash cans out on 10/15/18. Regular trash pick-up will resume on Monday, October 22nd.

INDIVIDUAL DRIVEWAYS: See attached flier from Eagle Paving. Additionally, if you are making architectural changes to your driveway (ie. adding concrete, pavers, etc.), please submit an architectural request to Curtis Management as soon as possible.

SEALING: Eagle Paving has advised to wait 6-9 months to seal the roads. The Board has set aside and approved funds to seal at that time.

CURBS: The curbs that are currently broken and not structurally intact will be replaced this month. The remaining curbs will be completed at the beginning of 2019. Eagle offered the HOA a significant discount to wait. The Board has set aside and approved funds to overlay the curbs at that time.

Thank you for your patience and cooperation in making this project a success.
