

---

The Board of Directors would like to remind residents that the parking bays are Common Area allocated for Guest Parking.

Certain areas of the community have become increasingly inundated with Owners Vehicles.

The Board is currently working on updating and obtaining clarification on the Association's Parking Rules and Regulations. Until the Rules can be finalized, please be courteous and respectful of your neighbors and use your driveway and garages for parking.

If you have any questions or concerns, please contact Curtis Management at [cholder@curtismanagement.com](mailto:cholder@curtismanagement.com) or 858-587-9844
